WHY CHOOSE AVA TRAVEL

This page of

HOLIDAY INFORMATION
is additional to our trading charter but does not form part of that charter, your contract or any guarantees. WE HOPE THIS WILL HELP YOU TO PLAN YOUR HOLIDAY WITH US AND GIVE YOU PEACE OF MIND

DOOR TO DOOR TAXI SERVICE

Included in the price of all our coach holidays is a taxi collection service. Subject to living within our designated area map, this means a taxi or minibus will collect you from your door at the start of your holiday and return you from the coach at the end, thus avoiding all the hassle of getting yourself and your luggage to a coach pick-up point.

QUALITY HOTELS

UNITED KINGDOM

We place a great importance in providing hotels of very high standards and are constantly striving to improve further the quality of hotels included in our programme. They are usually all of a 3 or 4-star standard and most importantly, ALL hotels include en-suite facilities, tea/coffee making facilities and TV in the room. 'NB Star ratings are correct at time of brochure going to print but can be subject to change.'

CONTINENTAL HOTELS

Please note the star rating shown for hotels on the Continent is that which is allocated by the Tourist Authority of that particular country. It is unlikely for hotels on the Continent to provide tea/coffee making facilities in bedrooms. Occasionally we receive comments relating to the standard of food served for the evening meals. We can only emphasise that when travelling abroad the menus offered are normally associated with the country in which you are staying. In addition, whilst we endeavour to ensure that our clients receive a choice of menu for evening dinner, there are a number of hotels, particularly on the Continent, where this facility is not offered.

LUXURY AIR CONDITIONED TOURING COACHES

Our fleet of Luxury Coaches feature:

- High back reclining seats
- Tinted and bonded double glazing
- Height adjustable air suspension
- Seat belts
- Toilet/washroom
- Air Conditioning
- Sanitizer stations, antibacterial wipes
- Sanitizing fogging spray used

These coaches have proved popular with our clients appreciating the seat back folding tables and magazine racks. In the unlikely event we are unable to provide this class of vehicle for a particular holiday then an alternative vehicle will be provided with facilities as close as possible to the standard facilities of our luxury touring coaches.

SPECIAL REQUESTS

Any special requests such as dietary, lift access etc must be made at the time of booking. We will do our best to provide what you want but WE CANNOT GUARANTEE IT. If fulfilment of your special request incurs any additional costs, we will either invoice this prior to your departure or inform you that it will have to be paid locally.

DISABLED CLIENTS

We try our best to provide holidays which all our customers can enjoy, but we do recognise that not all our holidays will be entirely suitable for people with disabilities, poor mobility or special needs. We would advise that it is a condition of your booking that you notify us (or your travel agent) of your intention to bring any mobility equipment, we will do our utmost to oblige. Due to Health and Safety regulations, we are normally unable to carry the heavy and bulky Electric wheelchairs or scooters. In certain circumstances we may be able to carry a small mobility vehicle provided they conform to size and weight regulations. Please check itineraries on our tours to ensure that they are suitable, we want you to get the most out of your holiday. Please contact our reservations staff for further details.

These are planned a long time in advance and whilst changes are rare, we do reserve the right to amend the content and days of operation of the itinerary programme at any time. Due to the implementation of new driving hours, we may have to adjust the advertised itinerary after departure date and/or hire another coach for part of the tour.

HELPFUL & FRIENDLY DRIVER/ COURIERS

Throughout your holiday you will be looked after by our own experienced and fully trained driver/couriers. We are proud of the high standards they set, knowledgeable, smartly dressed and safe behind the wheel, they are thoroughly professional in every way. In addition, we sometimes also engage the services of local guides who can give a more detailed account of the area to be covered.

In the unlikely event that you have a problem with any aspect of your holiday please ensure that your driver/courier is informed immediately. Hoteliers will almost certainly not accept any complaints after the holiday, when they have not been made aware of the problem during the holiday.

WHAT DO I DO IF I HAVE TO COMPLAIN?

If you have a complaint during your holiday particularly regarding your accommodation or the quality of the meals it is vitally important that you tell

the driver/courier or supplier/hotelier at the earliest opportunity, so that they can do their utmost to resolve the problem. If on your return from holiday you remain dissatisfied, you should write within 14 days to our travel office in Leyland. You will need to quote your booking reference number, destination and the departure date. If you do not tell us at the earliest opportunity about a problem giving rise to your complaint, we cannot take steps to investigate and rectify it. It is necessary for there to be a minimum number of passengers in order to operate a tour. Therefore, we may have to cancel your holiday, and if this should occur, we will return to you all the money you have paid to us, or offer you a suitable alternative. However, we will not cancel your holiday:

- (a) Immediately prior to the departure date unless you have not paid for your holiday in full, if we then cancel your holiday you will be entitled either a comparable holiday or a full refund.

If any such part is not provided in the advertised manner, we will pay you reasonable compensation unless the non-provision was due to circumstances which we could not predict and which were beyond our control such as adverse weather, road or traffic conditions or the matters referred to in paragraph 4 (b) above. Please remember that some amenities (e.g. hotel, lifts, swimming pools etc.) require servicing and cleaning and may not therefore be available at all times. Some services may be affected by weather conditions and their availability is entirely at the discretion of the provider of the service. Entertainment (particularly live entertainment) provided by hotels is frequently subject to demand and its nature and/or frequency may be varied if there is lack of demand or insufficient numbers staying in the hotel. Some excursion itineraries include the use of ferries and other forms of transport which can be affected by inclement weather and may have to be cancelled or arrangements changed. Wherever possible a suitable alternative excursion will be offered. The published running times of services are estimates only and we will not be liable for any loss (however caused) arising from delay or failure to operate services in accordance with published timings.

When bookings are made with us you will be offered the seats that are available on the coach at that time. In the event of the coach being nearly full we may contact any single person already booked to ask them to move seats if necessary, to accommodate a new booking from a couple. There is a seating plan of the coach for each holiday, but it is possible that, on occasions, for operational reasons, a coach of different configuration may be used and we must therefore, reserve the right to alter a seating plan and allocate seats other than those you have booked, although this will be avoided as far as possible. 6. SPECIAL CARE FOR THE DISABLED

The holidays in this brochure have been carefully planned to include as much of interest as possible. Inevitably some of the holidays include lengthy periods of travel and some walking on sightseeing excursions. Additionally, many of the hotels will have steps to contend with and may not possess lifts, and although we will try our best to look after disabled passengers, it is important that you advise us of any disability or mobility requirements on booking so that we can enter them on the Special Requirements of the booking. We will make every endeavour to minimise the discomfort and inconvenience, but for obvious reasons are unable to make any guarantees.

7. SPECIAL DIETS

If you require a special diet you must inform us at the time of booking with a copy of the diet. This will be notified to the hotel or hotels on your holiday but on certain holidays the hotels used are tourist class and whilst offering value for money within the price range they may not have the full facilities to cope with special diets. Any extra costs incurred must be paid to the hotel by you before departure from the hotel.

There is usually a limited number of ground or low floor rooms available and requests for this accommodation must be made in the 'Special Requirements' section of the booking, so it is important that you advise us at the time of booking, this type of accommodation cannot be guaranteed. If lifts are available at a hotel the facility will be shown on the holiday page.

9. SINGLE ROOMS

On any holiday there are only a limited number of single rooms. When a single room is available it may be subject to a supplementary charge and this will be shown on the brochure page. After our initial allocation of accommodation has been used it may be possible to obtain further accommodation for which the hotel may impose a further additional charge.
